

Youth Sunday School will have a different “look” this Fall!!!

Hope that makes you **YOUTHS** (6th -12th graders) curious enough to come join us for our little ***Youth Blend Café!!*** It will be accompanied by inspirational music provided by your peers, and a scripture message from a variety of our own church members. We will then break-out discussions facilitated by an adult, but a place where you will also have a chance to express your thoughts, hear others share theirs and explore faith and spirituality together - all the while sipping on hot chocolate and munching on one more bagel!

Check out the information below for the Sunday Morning Youth Café schedule:

- 9:30 am Breakfast - café style with a live band (**Band members shall eat first!**) whenever they are available to inspire you!!! (**Please bring \$2 for breakfast**)
